

LMFPTS METAL FLAT BAR PICNIC TABLE

Dimensions are in mm.
Do not scale from drawing.

INFORMATION

Street Furniture is another example of how Lightmain work to satisfy client needs. The single front leg design of our benches allows for unrestricted access for mowing and cleaning.

All of our steel street furniture can be in any RAL colour. Lightmain has its own in-house powder coating facility where we incorporate additional processes ensuring durability of the coating and therefore value for money over time.

Dimensions:

1500mm length

820mm Height

1440mm Depth
